Halifax West is district number 12007 on the Federal Electoral Districts map.

All data are taken from Elections Canada administrative data and from Statistics Canada's 2021 Census of Population. Due to the 2023 Representation Orders, new boundaries and electoral districts came into effect at the 2025 federal election. For this reason, some data are estimated by Elections Canada and others are not available. For the purpose of this educational exercise for students, all data are simplified to show a snapshot of the electoral district.
