

# Participating as an individual

Personal actions like volunteering,  
signing a petition, attending  
a meeting or expressing  
your opinion.

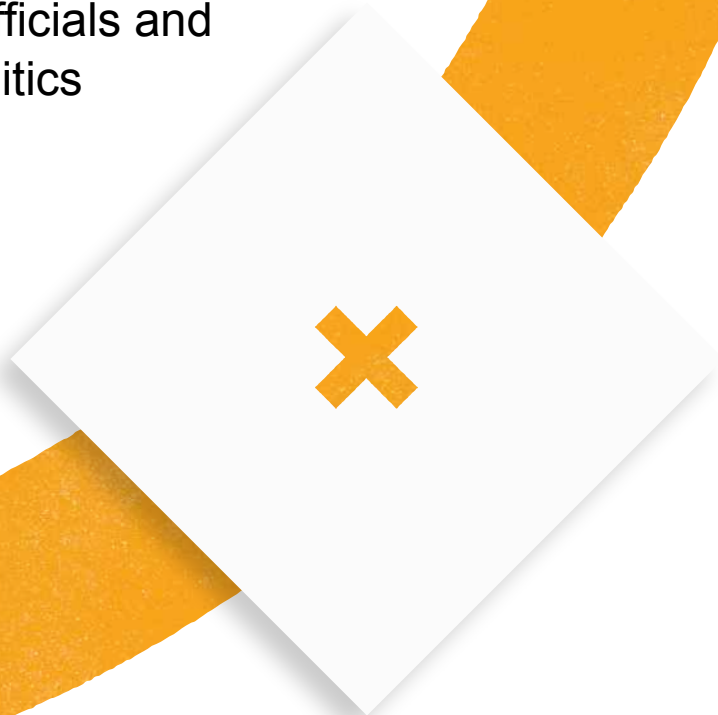

# Working together as a group

Collective actions such as joining or forming a group with like-minded people to plan and organize activities.

# Working through the political system

Actions like contacting a politician  
or presenting a petition to bring  
an issue to elected officials and  
others involved in politics  
and government.

EC 99649 (08/2018)

# Building public support

Outreach actions like holding a rally or starting a communications campaign to convince others to support your cause.
